The purse on its frame is unusual and elegant; you may also tat a necklace chain and wear it! Two split rings are used to move from one round to the next. Students who do not wish to make this as a frame purse may use a pattern adaptation to tat this as an amulet bag.

Required Materials: Metal purse frame, size 10 thread and size 8 seed beads, are needed, as well as two shuttles wound with thread and beads (NOT CTM and you will need to hold more beaded thread in reserve for finishing each side). You will also need a small amount of felt in a color complementary to your thread and a needle to sew the felt lining.
